Wild Lupin
(*Lupinus perennis*)

Arctic Roseroot
(*Rhodiola rosea*)

Pale Corydalis
(*Capnoides sempervirens*)

Hooked-spur Violet
(*Viola adunca*)

ENJOY YOUR VISIT

The natural outcrop of bedrock in front of the barn is at its most flowery in spring, with native violets and bluets and columbines. Other small gems can be found in the hypertufa troughs in the vicinity of the rock garden. More spring flowers can be found in the shade garden.
